We regret we do not have a contract to see fee paying NHS Patients. We do have a limited contract to see children and exempt adults free of charge to the patient

Please note fees may change as treatment progresses and this list does not constitute a contract or obligation to provide treatment.

Any prices quoted following examination are valid for a period of 6 weeks, after that a new quotation may be required.

Written estimates are routinely provided for complex treatment, but anyone may request a quotation following examination for any amount of treatment.
